

Good morning - thank you all for being here and thank you for getting us your questions in advance. Pls know we will respond to AJ + Melissa with answers to anything not responded to today.

I'm going to turn it over to the Governor + Lieutenant Governor for their updates + then Leader Tan + Leader Jones will jump in with any questions.

Redacted

Firearms - domestic violence comm. push back; when ppl out of daily routine, increase stress; mental health + domestic violence; law enforcement; 2nd amend - temp disruption/guidance, change when life get normal didn't rise to level of essential
